

PERSONAL

Name and surname: Jose Martín Martínez
Address: Las Rozas, Madrid, SPAIN
Mobile :(0034) 637360209
Email: mtn.mtn.jose@gmail.com

ACADEMIC BACKGROUND

- Sep. 2002 – Mar. 2008** Bachelor Degree in Industrial Mechanical Engineering at the University Carlos III of Madrid
Sep. 2019 – Sep. 2020 Degree in Mechanical Engineering (EHEA Bologna) at the Catholic University of Avila
Sep. 2016 – Sep. 2018 Master in Industrial Mechanics at the University Carlos III of Madrid
Nov. 2020 – curr (2025). PH.D Mechanical Engineering and Industrial Organization (Solar Thermal Energy) at the University Carlos III of Madrid

PROFESIONAL EXPERIENCE

- June. 2021 – curr.** **Renovables & Arquitectura Inteligente S.L. (R&AI)** Engineering director, founder and owner:
"R&AI Engineering department" developing engineering solutions for energy efficiency & energy and renewable solutions, MADRID, **SPAIN**
- 2020 – 2021** **RDT Engineers** Consultant Cost Improvement Engineer, On behalf of Siemens Gamesa Renewable Energy Onshore:
"Siemens Gamesa Renewable Energy Construction Technical Office", MADRID, **SPAIN**
- 2019 – 2020** **Ocean Winds (old EDP Renewables)** Offshore Interface Engineer, Engineering Department. Moray West Offshore Wind Farm:
"Offshore Interface Engineer within Engineering Department", EDINBURGH, **SCOTLAND - UK**
Moray West Offshore Wind Farm supporting all interfaces work packages (Inter Array Cable, Wind Turbine Generator, Offshore Substation Platform, Substructures, Offshore Export Cable, Onshore Export Cable and Onshore Substation)
- 2015 - 2018** **ADWEN** Specialist Road Maps Processes, Times & Methods, Organization, Offshore Technical Office:
"Specialist Road Maps processes within Offshore Technical Office", MADRID, **SPAIN-GERMANY**
Wind Farms on-site support (preassemblies at harbour & offshore) Wikingen in Baltic sea (Germany)
- 2014 - 2015** **Knorr-Bremse España S.A.** Process Engineer, Industrial Engineering department:
"Process Engineer Brake systems & HVAC Getafe factory railway industry", GETAFE, **SPAIN-FRANCE-GERMANY**
- 2011 - 2014** **Gamesa Eolica S.L.** Process Engineer, Construction Technical Office, projects:
"Process Engineer WTG G10X 4,5MW & 5MW Steel System & Commissioning", PAMPLONA/MADRID, **SPAIN-FINLAND**
Wind Farms on-site support (assembly & commissioning) "La Camara" (Spain), "Alaiz" (Spain), "Simo" (Finland) and "Pori" (Finland).
- 2009 - 2011** **CT INGENIEROS A.A.I. S.L.** Consultant Process & Industrialization, Engineering department, project:
"SA elevator A-320 industrialization and transfer to China", HARBIN, **CHINA**
"A-350 industrialization and transfer to China", GETAFE, **SPAIN**
- 2007 - 2009** **Altran Technologies S.A.** Consultant Process & Assembly, Engineering department:
"Airbus A-380 manufacturing and assembly" GETAFE, **SPAIN**.
"Study of stock list and engineering of the Spanish Army P3-orion" SEVILLA, **SPAIN**.
"Process and routings engineering of the Brazilian Army P-3orion", GETAFE, **SPAIN**.
"Assembly and process engineering of the Spanish Army P3-orion" GETAFE, **SPAIN**.

LANGUAGES

High level. Level P1 Language test certificate by the University Carlos III de Madrid & University Catholic of Avila.
English International working experience in UK, Germany, France, Sweden, Finland and China.
I am used to working in international-multicultural environment
Spanish Mother tongue

SOFTWARE KNOWLEDGE

- All offshore and onshore trainings Wind Farms, on site experience (construction/commissioning engineering support).
- Weather modelling, planning and organization tools (Shoreline, IFAKT IMS, GreenGate, ITEMSA, etc.).
- Microsoft Office: (Word, Excel, Power point, Project, Outlook...).
- Design software: Solidedge, Solidworks, Ansys, Fluent, Abaqus, Catia v.5, Pro-Engineer, MATLAB, Simulink, etc.
- Working environment EDPR, Adwen, Siemens-GAMESA & Airbus (SAP, SNT, SIPLA, G.D., EPD, EVENT REPORT SYSTEM, V3T, SIDIE, PDMLink, etc.). Standards Airbus/EADS-CASA. Other manufacturing and design standards (Offshore Wind Farms, railway industry, etc.).

OTHER INFORMATION

Driving license B-1, own car, willing to travel and/or change of residency.
